Sacrament Preparation Attendance Policy

Attendance at all sessions is expected whether attending in person or virtually.

- ✓ **In person families** – If you miss both the Wednesday and Saturday morning sessions, I will send you the virtual session link for viewing until Saturday at midnight. Use this session for your attendance and email Karen to receive the homework packet materials.

- ✓ **Virtual families** – Once you have viewed the session, email Karen to receive the homework packet materials. Families that forget to request the packet will be contacted.

Once the virtual session link is inactivated, contact Karen if you did not have the opportunity to view it.

Signature on the registration form indicates that you have read and understood this policy.
